On the road

-- Seminar series --

Michaelmas and Lent terms 2015-2016

Starting from the most recent events, this series of seminars will address burning issues regarding current refugee flows, especially in the European context. It will focus on the root causes of the phenomenon and on the

solutions that are being put forward by public institutions, NGOs, and academia. It will also pay specific attention to individual issues, regarding women refugees, unaccompanied minors and healthcare.
